

**GE INDUSTRIAL VALVES
GAUGES & FILTERS**

A Division of Glauber Equipment Corporation

Valves • Filters
Instrumentation • Pumps

Tel: 888-452-8237 • Fax: 716-681-0715

Glauber Equipment Corporation (GEC) has been providing high quality Blower, Compressor, Vacuum and Pump Systems across Upstate and Western New York since our founding in 1960. We support a vast array of industries by providing solutions for their fluid, air and gas system needs. These industries include; Food/Beverage, Pharmaceutical, Environmental, Chemical, Textile, Agriculture, Semiconductor/Nanotech, and many others. In 2015, Glauber Equipment divided the company into specialized business units to better serve our customers. GEC Industrial Valves, Gauges & Filters is uniquely equipped to handle your equipment needs for both fluid applications as well as air/gas systems.

Valves

Poppet Silent Check Valves

Relief, Check & Flow Control Valves, Float Valves, Condensate Traps

Compression Tube Fittings and Compression Fitting Valves

Vacuum Regulating Valves

Ball Valves, Actuated Valves, Multiport, V-Port, Cryogenic Valves, Trunnion Mount Valves

Solenoid Valves, Magnetic Level Switches

Needle Valves and Manifolds

Safety Relief Valves

Sight Flow Indicators and ISO-Ring Isolators

Butterfly Valves

Ball Valves, Gates, Globes, Check Valves, Actuated Valves and Sanitary Fittings

Relief Valves, Pressure Regulators, Back Pressure Regulators, Strainers

Y-Strainers, Basket Strainers, Check Valves, Temp Strainers

Iron, Steel and Stainless Plug, Gate and Globe Valves

Steam Specialty Products

Filters

Specialty Gas and Vacuum Filters

Compressed Gas Filter Housings and FRLS OEM type.

Industrial Liquid, Hydraulic, Spin Ons, Filter Housings, Air Panel Filters Dryers, Filters, Chillers, Separators & Nitrogen Generators

Liquid, Industrial, & Sanitary Filtration Housings and Vessels. Replacement Cartridges and Bag Elements in Various Media

Bag Filters and Liquid Cartridges

Gauges & Instrumentation

Signal Conditioning and Digital Gauges

Differential Pressure Gauges and DP Switches

Instrumentation and Controls

Industrial Heating Coils

Diaphragm Seals and Welded Capillaries

Thermowells, Orifice Plates, Flush Rings

Pressure Gauges / Seals / Temperature and Pressure Instruments

Sensors, RTD's, Thermocouples, Thermowells, Probes and Transmitters

Liquid and Air Flow Meters

Bimetal Thermometers, Pressure Gauges and Transmitters

Accessories

Flexible Hose Assemblies - Teflon, Stainless Steel Braided

Offering Sales, Inventory & Service Across New York State!
